

## Voices of Courage Guest Status

We currently have 500 people plus guests a month applying to be on the Show. Therefore, we have guidelines to help determine guests.

### Guest Guidelines:

1. We book guest experts with realized wisdom who are committed to inspiring our audience to take off limitations in the areas of business, finance, relationship, health, wellbeing, and spirituality to fulfill their noble goals.
2. We ask each guest to promote their show appearance to all their social media and to send 1 or 2 emails their entire database of subscribers. (VOC provides the social media graphics and email templates)
3. Guests must have a social media combined following of 50,000 or more and/or an email data base of 50,000 or more.
4. If Guests do not meet the criteria in item 3, then they must sign up for the Voices of Courage Media Package to appear on the show.
